Subject: RE: BB Gun Rule 9.3

Coaches and Parents-

The Air Gun Committee has met and discussed BB Gun Rules 9.2, 9.2.1, 9.2.2 and has recommended that the previous wording of 9.3 and 9.3.1 be reinstated. The recommendation will now go before the Competition Rules Committee and then will be put before the NRA Board of Directors in May. Until this rule is decided upon, sponsors may submit match registration requests to me with the following specifications:

“Current NRA BB Gun Rules will be followed for this match with the exception of rule 9.2, 9.2.1 and 9.2.2.”

If you have any other questions, please feel free to contact me.
