

BOY SCOUTS OF AMERICA®

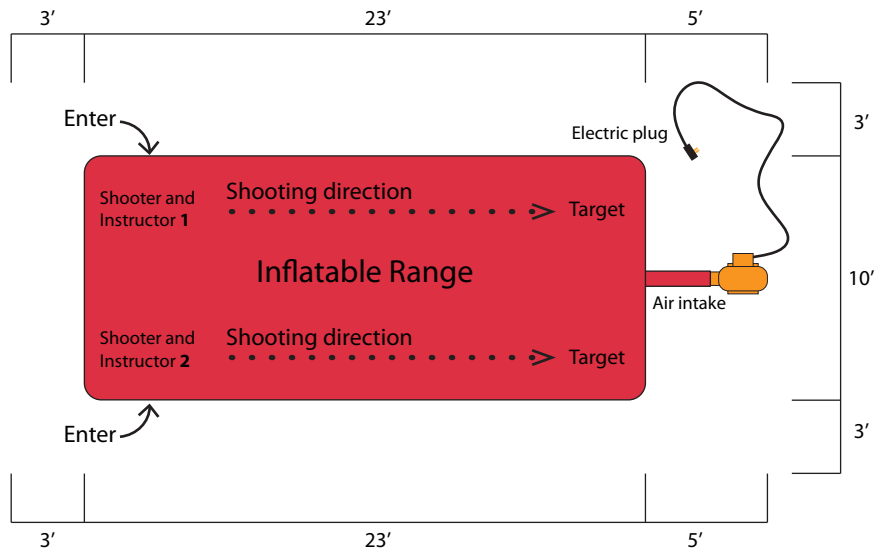

Daisy®

Inflatable BB Gun Range \$1,900⁰⁰

Daisy's unique inflatable BB Gun Range is powered by a small fan and inflates in less than one minute for easy setup indoor or outdoor. The range features two shooting lanes with ample room for a shooter and instructor in each position. Designed to be used with BB guns with velocities below 350 fps. Layers of fabric and mesh keep BBs inside the range and provide a more than adequate backstop for the low velocity BB guns. When finished shooting, takedown is just as easy as setup was. The range stores in a large heavy duty bag and can be transported in an SUV or pickup.

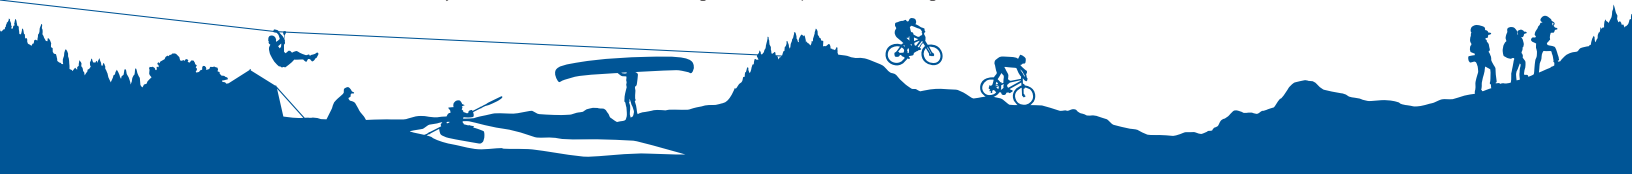

⚠ CAUTION: Do not use this range with high velocity multi pump airguns, break barrels, firearms or even airsoft guns with velocities in excess of 350 feet per second. Doing so can cause serious damage to the range and is not safe. Do not shoot pellets in this range.

BLOWBACK ACTION
WITH EACH SHOT, SLIDE IS BLOWN BACK AUTOMATICALLY

REALISTIC BLOWBACK ACTION
• **Maximum Velocity 410 fps**
• **16-shot removable magazine**
• **Solid metal construction**

There's no need to go to the range or drop a load of cash on expensive firearm ammo to experience the fun of shooting a semi-automatic pistol with blowback action. In most locations, you can shoot the Daisy® Powerline® Model 11A1 semi-automatic pistol at a target box indoors or in the backyard. You'll love the 1.9 lb. weight of this metal CO2 -powered pistol and the realistic blowback action. Just load the 16-shot BB clip and get ready to hone your marksmanship skills. Daisy's Model 11A1 is appropriate for ages 16 and older with adult supervision.

BOY SCOUTS OF AMERICA®

Daisy®

Model YA0001 Longbow \$21³¹

Daisy's Longbow is sized for young shooters just getting started in archery. Features include fiberglass limbs and a 10 lbs. (@ 16" draw) to 21 lbs. with a 24" max draw length. The Ambidextrous shoot-thru riser makes it easy for both right and left handed shooters to safely get on target while keeping the arrow centered on the rest. The Daisy Longbow has an adjustable single pin sight that can be positioned on either side of the riser for left or right handed shooters and can be sighted in as close as 6 meters, which is ideal for any beginner archer's first shot. Daisy's Longbow is appropriate for ages 10 and older with adult supervision.

- Includes
- Two 26" fiberglass target arrows
 - Arrow quiver
 - 3 Finger rollers
 - Armguard

Model YA0002 Compound Bow \$25¹⁴

Daisy's Compound Bow is ideal for smaller framed youth archers. Features include fiberglass limbs and a draw weight of 13-19 lbs. (depending on cam position, 16" to 25" draw length) with a 60% let off. The Ambidextrous shoot-thru riser makes it easy for both right and left handed shooters to safely get on target while keeping the arrow centered on the rest. The sight and cable guard can be positioned on either side of the bow for left or right handed shooters. The bow can be sighted in as close as 6 meters, which is ideal for any beginner archer's first shot. Daisy's Compound Bow is appropriate for ages 10 and older with adult supervision.

- Includes
- Two 26" fiberglass target arrows
 - Arrow quiver
 - 3 Finger rollers
 - Armguard

25 Pack 26" Target Arrows \$55⁰⁰

Durable fiberglass shaft arrows feature a non-removable target point. Use with Daisy® Youth Bows and any bow not exceeding 30 lbs. draw weight.
